San Francisco, Cal as [5, F. Monitor, Aug. 25, 1881.]

The vital importance of having pure Altar Wins for the celebration of the Holy Sacrifice of the Mass is a matter which always gives the greatest concern to the Rev. Clergy, who are also aware of the difficulty experienced in procuring really pure wine by those living in remote regions from grape-producing localities. This difficulty, however, has now been entirely overcome, and every priest throughout the Union can rely upon procuring really pure wine for altar use through the long-established and thoroughly reliable house of Arpad Harazthy & Co., 530 Washington Street, in this city, who have made arrangements with Rev. P. J. Kaiser to be the sole agents in this city for the sale of all the wines made at the extensive vineyards at the Old Mission, San Jese, as well as the altar wine made by Col Hooper at Sonoma. The firm of Arpid Harazthy & Co. guarantee the perfect purity of these altar wines sud are prepared to ship them in portable packages, in any quantity desired, and so put up that they will retain all their freshness during consumption. We think the enterprise of the house of Arpad Harazthy & Co. is worthy of beingencouraged and we hope the Rev. Glergy throughout the Union will swall themselves of this excellent medium in order to secure for Divine Service one of the mort essential auxillaries to its proper celebration.

The Whole produced under the direction; therefore I know the wines to be pure and genuine. I have given other letters to wine growers more or less commendatory, but none so strong as I would desire to make this, as in no other case did I have so good means of knowing.—And what I say for Father Kaiser's wines I would say for his Olive Oil produced at the same place.

Very Reserved.

Having been appointed Sole Agent for the above Celebra ed Wine, I offer it in original packages, sealed, as it leaves the Vineyard, or in bottles to suit the purchaser. Its purity cannot be questioned, and it will undoubtedly be much appreciated for family and medicinal uses.
